

Northstar News November 23rd-November 29th 2009

Our winter program was quite a success. The kids are so cute!! They all did a great job. If you took a video of the performance I would love a copy of it. Our auction was quite a success too. Many people got a great deal on stuff and we made some money as well. I will post the final dollar amount next week.

I hope that you all have a fantastic Thanksgiving! I will see you all next week.
